ACCOMPANYING NOTES

Constituency Office Funding

Members of the Legislative Assembly are provided with an annual budget to cover the costs associated with operating and staffing constituency offices. Constituency office funding is paid monthly to Members, to an annual maximum of \$119,000. Constituency offices in non-urban ridings are provided with an annual travel allowance to cover costs incurred by office staff while travelling on a Member's behalf within the constituency. This allowance is intended to cover normal travel expenses, such as mileage, taxis, hotels and meals. Payment is made once per fiscal year. Constituency assistants in urban ridings are reimbursed for out-of-pocket, work-related travel expenses from the constituency office allowance.

Constituency Office Expenses

Certain expenses are paid directly by the Member using the annual funding provided, while other expenses are paid directly by the Legislative Assembly of BC. The information contained in the report refers only to those constituency office expenses paid directly by the Member. Notes 2 through 6 provide definitions for each of the expense categories listed in the report. Further information on Constituency Office funding and expenses can be found in the Members' Guide to Policy and Resources (<http://members.leg.bc.ca>)
